

FTG, INC.

SEE WHAT WE CAN DO FOR YOU!

Your Trusted OEM Resource

Engineering • Manufacturing • Low-Volume OEM Support • Custom Solutions

Over 35 Years of U.S. Manufacturing & Distribution | ISO 9001:2015 | MBE Certified | Made in California

FTG works as a trusted extension of your **Sales, Purchasing and Engineering teams**, supporting customer requirements that may not fit your normal production volume, product line or manufacturing priorities.

We help you say "YES" to your customers!

A PROVEN OEM PARTNER

For years, OEMs have trusted FTG with low volume and specialized requirements that no longer fit their normal production or manufacturing priorities. FTG helps OEMs continue supporting these customers while allowing their own manufacturing operations to concentrate on core production.

OEM SALES

Don't lose a customer opportunity because the volume is too small. Send requirements outside your normal production or standard product offering to FTG.

PURCHASING

A dependable U.S.-based resource for specialty, low-volume, replacement and hard-to-source requirements.

ENGINEERING

Send us your drawing, specification, sample, photo or application. FTG can help develop a practical solution.

WHAT CAN YOU SEND TO FTG?

- ✓ Low-volume OEM requirements
- ✓ Special customer requests
- ✓ Custom or modified parts
- ✓ Small assemblies and kits
- ✓ Replacement, legacy or hard-to-source components
- ✓ Filtration & vibration isolation applications
- ✓ Private-label opportunities
- ✓ Responsive second-source projects

WE ARE SOLUTION-DRIVEN AND PROJECT-ORIENTED.

You expect extra effort - we deliver it.
